6. Conclusions.

1. Objectives-

One of the significant responsibilities of college is Curriculum Design and Development. College is considering student's needs and using different feedback in the development of relevant programs to suit the student's professional and personal needs. College introduces a wide range of program options and courses with certain core values that are in tune with the emerging national and global trends and relevant to the local needs. Apart from the wide range of academic flexibility, aspects on career orientation, multi-skill development, feedback system and involvement of stakeholders in the curriculum are updated to meet the expectations of students.

The objective of this alumni feedback analysis is to collect data about the curriculum, the syllabus and overall environment of college, so that we can improve and accelerate in the main area of our education system and Institution as a whole. We want to focus on career-oriented syllabus design as well as on theoretical and practical aspects.

2. Survey Methodology-

Govt. D.B. Girls' P.G. Autonomous college, Raipur, is conducting many feedbacks/surveys on continuous basis. Alumni Feedback on Curricular Aspects is one among these surveys. This Feedback includes majorly the questionnaire about different programs and curriculum of college. Apart from these aspects, the Feedback has included the reliability of assessment and evaluation process.

The analysis of feedback, questionnaire and the results are provided as follows.

We implemented alumni Feedback online through google form during the month of December 2022.
